NEED TO KNOW.....

Cairns Beach Resort is delighted to present at ATE 2007 the inaugural showcasing of the newly refurbished one-bedroom apartments. Our aim for the refurbished resort rooms was to reflect a peaceful and relaxed atmosphere with an influence of colour that depicts the land of downunder.

Located at Holloways Beach – a hidden secret, Cairns Beach Resort is just a few minutes north of Cairns City and just metres from golden sand and warm tropical water.

Our four star resort offers everything guests need to create a home away from home - on the beach. Relax in one of 73 spacious air conditioned self contained, one bedroom apartment, where natural light is abundant. Enjoy a cool beverage on the private balcony overlooking the beach, gardens and the resort's beautifully landscaped pool area.

Each Apartment is equipped with a fully self-contained kitchen and laundry facilities. The bedroom offers Split King Sized beds, which can be utilised as two single beds, with a foldout sofa bed in the living room.

Guests can keep in touch with loved ones or business associates at our Internet Kiosk conveniently located in a tropical setting near reception. Our friendly staff are more than willing to share their local knowledge on the breathtaking region and the available tours ensuring guests experience an unforgettable Tropical North Queensland holiday.
